DOMINION ORDERS IN COUNCIL.

[1641]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 18th day of July, 1900.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

ON A REPORT dated the 11th June, 1900, from the Acting Minister of the Interior, stating that an application has been made by the Canadian Pacific Railway Company for certain lands at Rogers' Pass, in the Railway Belt in British Columbia, for the purposes of right-of-way and station grounds, to take the place of the station grounds until lately occupied in the Pass by the Company, and which are found to have become untenable owing to frequent snow-slides, by which the whole of the station plant and the houses of the employees were demolished in the winter of 1898-99. In addition to the lands actually required for station grounds in connection with tracks, round-houses, etc., the Company requires space on which to erect cottages for their employees, and a sufficient area to safeguard the heavy timber immediately adjoining the lands applied for from danger of destruction, this timber being a valuable protection against the action of snow-slides.

The Minister further states that the lands applied for are within the Reserve of a National Park at that point, and therefore closed from ordinary sale and settlement, and as it is of public interest and importance that the heavy timber in the vicinity of the proposed new station and railway building should be protected, and the Company afforded all proper facilities, by allowing them to control a reasonable area of land, for preventing the sale of liquor to their employees, he, the Minister, recommends that he be authorised to sell to the Canadian Pacific Railway Company, at the rate of \$1.00 an acre, the lands embraced in the attached description and plan, to the extent of 96.44 acres, and that with respect to a balance of the tract applied for, being Legal Subdivision 2 and the west half of Legal Subdivision 8, in Section 13, Township 27, Range 26, west of the 5th Meridian, comprising an area of 60 acres, he be authorised to issue a lease thereof in favour of the Company for a period of 21 years, at a nominal rental of \$1.00 a year, subject to the proviso, however, that the Company shall not sublet any portion of the premises so leased without the consent and approval of the Minister of the Interior.

The Committee submit the foregoing for Your Excellency's approval.

JOHN J. MCGEE,
Clerk of the Privy Council.

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session,

the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10 $\frac{3}{4}$ inches by 7 $\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. One hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.
